FIG. 7

FIG. 7 is a schematic diagram of a circular component 102. A dashed vertical line 200 passes through the center of the circle. A horizontal line 101 is positioned below the circle, representing a surface. A shaded sector 106 is shown on the left side of the circle, with a dashed line D4 and an angle ϕ indicated. A shaded segment 105 is shown on the right side of the circle, with a dashed line D35 indicated. A central hole 108 is located at the center of the circle. A horizontal arrow points to the left below the surface 101.
